# TRAINING COURSES

RSES members enjoy many outstanding opportunities to participate in chapter-sponsored training programs. Five comprehensive training programs, as well as a shop course, are offered through local chapters:

- Refrigeration/Air Conditioning
- Heat Pump
- Heating
- Electrical
- Controls

Many RSES Chapters continually conduct courses throughout the year. Any RSES Chapter member is entitled to enroll in a course and will receive a certificate signifying course completion, as well as Continuing Education Units (CEUs).

Please return your completed application to your local Chapter contact at:

If you don't know of an RSES Chapter in your area, you may forward your completed application to RSES Headquarters, at 1666 Rand Road, Des Plaines, IL 60016-3552.
